(508) 758-3688 Fax

The Dr. Joseph Troll Turf Education Golf Raffle

The Alumni Turf Group is seeking participation from clubs throughout the northeast in an effort to raise funds to support turf research at the Joseph Troll Facility. The new building at the Troll Research Facility at the University of Massachusetts opened in 2005, provides the northeast important turf research and excellent student education. To this end, the Alumni Group is seeking area clubs to donate a round of golf for four players. The donated rounds of golf will become part of a raffle, and your club will join many of the premier clubs throughout the northeast in this endeavor. In addition to donating a round of golf, tickets may be purchased for the raffle. The raffle winners will be drawn at the Dr. Joseph Troll Research Classic, to be held September 27, 2010, at Fenway Golf Club. We thank you for your anticipated support in our fundraising efforts.

Clubs wishing to contribute rounds of golf are asked to provide the following information:

Name of Club:

Name of Superintendent:

Carts or Caddies included in donation?

Contact information for raffle winner to arrange for tee time:

Name:

Phone:

Any restrictions on dates the round may be played?

Any special requirements for attire?

Other requirements?
